The following is an examiner's statement of reasons for allowance: the prior art's references of record do not disclose a floppy diskette generator with the combination of features described in claim 20. This configuration generates sufficient output with the revolution of the floppy disk drive left unchanged.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
